Proposal	Reason	Benefit
No more bye nights!	<p>There were two very simple options available to avoid (or reduce) the number of bye nights in Division Two this winter:</p> <p>Option 1: start the season 2 weeks later & finish the season 2 weeks earlier than the Premier Division & Division One.</p> <p>Option 2: placing an equal number of teams in Divisions one & two in order to reduce the number of bye nights.</p> <p>However, neither of these options were taken by the committee.</p>	<p>Teams who are due to compete in Division Two in the winter & Division Three in the summer would receive time off between the two seasons instead of going straight from one into the other.</p>

New proposals must be submitted to the League Secretary no later than 31st January 2018.
