

Annual General Meeting Proposal Form
 Crawley Pool League
 Monday 26th Feb 2018
 At Rugby Club

Name: Mark Stevens	Team: Happy Slappers	Date: 17th July 2017
--------------------	----------------------	----------------------

Proposal	Reason	Benefit
1. Lag for break	<p>Lagging for break provides the opportunity for a skilful outcome to determine the breaker.</p> <p>Tossing coins over pool tables can cause damage to the cloth.</p> <p>The league is affiliated to the EPA and lagging for the break is part of their constitutional rule set.</p>	<p>Many Players in Crawley participate in competitions and championships outside of Crawley and represent the league. In all these events lagging for the break is the norm. So by introducing lagging to league competitions and matches it will provide the opportunity for players to get use to this style.</p> <p>No damage to the cloth.</p> <p>It adds a dimension of excitement to pool league match nights.</p>
